EXPERIENCE

Activist PBP Division

Mar. 2023 - Mar. 2024

TECHNO 2023 - HIMTI BINUS University

- I oversee the PBP program, managing documentation, answering freshmen's questions in the group chat, and guiding them through class requirements to ensure everything runs smoothly.

Teaching Volunteer

▪ Sekretariat Rw.06 Pokdarkamtibmas J108

23 Sep. 2024 - 19 Oct. 2024

Introduced basic computer skills to grade 3-6 students on Saturdays for five weeks, covering general computer information and introductory programs like Microsoft Word and PowerPoint.

▪ Panti Yatim Indonesia

11 Dec. 2022

Delivered lessons on the causes of bullying and effective ways to respond, emphasizing the importance of addressing this topic early to foster understanding and resilience in students.

▪ Panti Yayasan Sosial Tangan Kasih

17 Mar. 2023

Delivered lessons on traditional toys, engaging students with cultural education through toys like *bola bekel* and *ular naga*.

▪ Panti Yayasan Sosial Tangan Kasih

27 Nov. 2023

Introduced students to the principles of religious moderation and respect for diverse beliefs, encouraging a balanced perspective.

PROJECTS

HI-Toyz

HTML, CSS, JS

- Developed a website for a toy store featuring a product catalog and collaborative events, providing users with an engaging online store experience.

MakeMeUpzz

SQL, C#, HTML, ASP.NET, CSS

- Developed an e-commerce website for makeup products, enabling users to place orders and admins to manage the database for order processing, inventory, and product listings.
